This is great way to get all your guests onto the dance floor. Here's how it works ... The wedding party is called onto the dance floor and a song is played (The song is a fast song) and the wedding party begins dancing. Now, when they hear the music stop, each person will go into the audience and bring back a different dance partner to the dance floor. Then, when everyone comes back to the dance floor, the dancing begins again. This cycle continues until everyone is on the dance floor. This dance is usually done at the beginning of the open dancing.

**Anniversary Dance** Yes \_\_\_\_\_/No \_\_\_\_\_

All married couples are asked to come to the dance floor. I then ask couples who have been married less than a ½ year to sit down. Then couples married 1 yr, 3 yrs, 5yrs. Etc. you get the picture. The last couple dancing is the one that has been married the longest. I invite that couple to offer any words of encouragement, advice etc. to give to the bride and groom. This dance is a big hit at weddings

**Optional Specialty Dances** Please check the dances that you would like to have.
